Report on Entrepreneurship in Digital Age

Title of the Event/Workshop: Seminar on Entrepreneurship in Digital Age

Date: 05-03-2021

Organized By: Electrical Engineering Department, MMANTC

Objectives: The primary objectives of the Seminar were:

1. To explore the impact of digital technologies on entrepreneurship.
2. To equip participants with the knowledge and tools necessary to succeed as digital entrepreneurs.
3. To foster networking and collaboration among participants.

Name of Speaker/Expert: Dr. Dilawar Hussain.

Summary of the Event/Workshop in Brief: S.E., T.E. and BE students actively participated in this workshop.

The speaker has covered and discussed the following topics. They include:

1. Understanding the Digital Ecosystem
2. Building a Digital Business
3. Digital Marketing Strategies
4. Navigating Legal and Ethical Challenges
5. Funding and Investment in the Digital Era

Outcome: Participants in the workshop gained several key takeaways:

1. A deep understanding of the digital ecosystem and its components.
2. Strategies for building and scaling digital businesses.
3. Knowledge of effective digital marketing techniques.
4. Awareness of legal and ethical considerations in the digital landscape.
5. Insights into securing funding and investment for digital startups.

Letter of Appreciation

Dear Mr. Khashrow Irani,

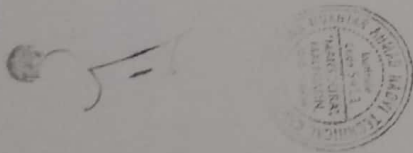

On behalf of the sessions taken by you on "Entrepreneurship 101" under our Institution's Innovation Council which was held on 16 January 2021, we wanted to express our appreciation to you for the contribution from your end to make the webinar valuable. It was extremely informative and profound.

We appreciate you personally taking time to provide us support as a speaker. The positive responses to your session were a reflection of your quality acceptance and credibility.

Once again, thank you for making online webinar successful, and we seek your continued support in future.

Thanking You,

(Director's Sign)

REPORT
Expert Lecture ON
Intellectual Property Rights in Pharmaceutical Industry
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon

Title of the Activity/Event: Expert Lecture on Intellectual Property Rights in -
Pharmaceutical Industry

Date: 18 Jan 2021

Venue: Civil Seminar Hall

Name of Speaker or Expert: Dr.Mohammad Mushaf .

About the Event:

In this session, the speaker has explained The role of Intellectual property rights and the Pharmaceutical Industry scenario. Patents grant pharmaceutical corporations exclusive rights to market pharmaceuticals and ban others from manufacturing, selling, or manufacturing these drugs for 20 years. IPR is required for pharmaceutical businesses to identify, plan, commercialize, and protect their inventions.

Summary of the Activity:

- The speaker has explained multiple solutions for societal needs and their importance in today's pharmaceutical industries.
- Students and Staff got brief knowledge about pharmaceutical industry and its applications
- Staff and students grasp the knowledge about multiple technological aspects.

Outcome:

- Students and staff got a brief explanation of pharmaceutical companies to set aside a budget for research and development, marketing, and legal costs.

Report on Introduction to Trademarks and Copyrights

Title of the Event/Workshop: One-day seminar on Introduction to Trademarks and Copyrights

Date: 12-02-2021

Organized By: Electronics Engineering Department, MMANTC

Objectives: The seminar aimed to provide participants with a comprehensive understanding of the fundamentals of trademarks and copyrights, their importance in protecting intellectual property, and the legal framework surrounding them.

Name of Speaker/Expert: Dr. Md. Azhar

Summary of the Event/Workshop in Brief: S.E., T.E. and BE students actively participated in this workshop.

The speaker has covered and discussed the following topics. They include:

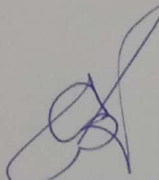

1. Understanding Trademarks
2. Copyright Basics
3. Trademark and Copyright Enforcement
4. Case Studies and Q&A

Outcome:

Participants left with a solid understanding of trademarks and copyrights, their legal implications, and strategies for protecting intellectual property. The knowledge gained during this seminar will undoubtedly benefit both individuals and organizations seeking to safeguard their creative works and brand identities.

Title of the activity: Webinar on "Design Thinking"
Day & Date: Saturday 04/12/2021
Venue : MMANTC Malegaon
Mode: Online

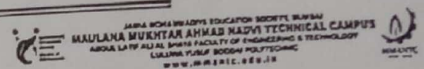

Link: <https://meet.google.com/ey-sfin-xzo>

Session conducted by: Dr Manish Sharma

Objective: To provide participants with a clear understanding of the principles and methodology of design thinking and to impart practical knowledge about how design thinking can be applied to solve complex problems and foster innovation.

Summary

Dr. Manish Sharma provided a comprehensive introduction to the concept of design thinking, explaining its significance in problem-solving and innovation. The webinar outlined the fundamental principles of design thinking, including empathy, ideation, prototyping, and iteration. Dr. Manish Sharma shared real-world examples of successful design thinking initiatives across various industries, showcasing its versatility. The webinar on Design Thinking by Dr. Manish Sharma was a highly informative and inspiring educational experience. It equipped participants with a solid understanding of design thinking principles and motivated them to embrace this innovative approach in their problem-solving endeavours. Department of Mechanical Engineering extends its gratitude to Dr. Manish Sharma for sharing his expertise and experiences with our participants.

Notice

All students and staff are informed that the Electrical Engineering Department is organizing a One day webinar on **On Grid PV Solar Rooftop Plant Installation And Assessment** scheduled 12-09-2020. The keynote speaker for the session will be **Mr. M Mujtahid Ansari**, Assistant professor Department of electrical engineering SSBT's COE Bhambhori Jalgaon.

Please find the details of the workshop given below:

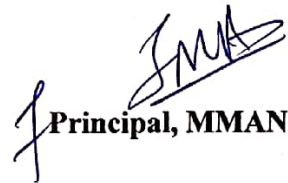

Title of the lecture: On Grid PV Solar Rooftop Plant Installation And Assessment

Date and time: 12-09-2020 11 am to 12:30 pm

Venue: Online mode

Report

Title	On Grid PV Solar Rooftop Power Plant Installation and Assessment
Objectives	<ol style="list-style-type: none"> 1. To develop a comprehensive technological understanding in solar PV system components. 2. To provide in-depth understanding of design parameters to help design and simulate the performance of a solar PV power plant. 3. To pertain knowledge about planning, project implementation and operation of solar PV power generation.
Summary	<p>Solar power in India is a fast developing industry. The country's solar installed capacity reached 35.12 GW as of 30 June 2020. India has the lowest capital cost per MW globally of installing solar power plants. The Indian government had an initial target of 20 GW capacity for 2022, which was achieved four years ahead of schedule. In 2015 the target was raised to 100 GW of solar capacity (including 40 GW from rooftop solar) by 2022. In the decade ending 31 March 2020, India expanded its installed solar power capacity by 233 times from 161 MW to 37,627 MW. Rooftop solar power accounts for 2.1 GW, of which 70% is industrial or commercial. In addition to its large-scale grid-connected solar photovoltaic (PV) initiative, India is developing off-grid solar power for local energy needs.</p>
Outcomes	<ol style="list-style-type: none"> 1. Students developed a comprehensive technological understanding in solar PV system components. 2. Students understanding of design parameters to help design and simulate the performance of a solar PV power plant. 3. Students know about planning, project implementation and operation of solar PV power generation.
Details of Resource Persons involved	<p>Name of Resource Person : Mr. M Mujtahid Ansari Designation and details: Assistant. Professor Department of Electrical Engineering SSBT's College of Engineering and Technology, Bambhori, Jalgaon</p>
List of Participants	<p>Total Number of Registrations- 129 Total Number of Attendances – 50 (Considering 75 % of attendance and successful submission of Feedback Form. Proofs are attached.</p>
Feedback	<p>Total Number of Feedback – 50 Proofs are attached.</p>

Invitation

Greetings from the Maulana Mukhtar Ahmad Nadvi Technical Campus (MMANTC) Malegaon, (M.H.) ☐

Department of Electrical Engineering is going to organize Webinar on "On Grid PV Solar Rooftop Power Plant Installation and Assessment" by

M Mujtahid Ansari

Assistant. Professor

Department of Electrical Engineering

SSBT's College of Engineering and Technology, Bambhori, Jalgaon

Former Chairman of BOS in North Maharashtra University.

Date: 12 September 2020, Saturday

Time: 11.00 AM to 12.30 PM

Who can Attend ?

Degree/Diploma Students.

☐ No Registration Fees

☐ *E-Certificate will be issued to all attendees after submitting feedback form.

Last Date of Registration: 11 September 2020

Registration Link: ➡☐

About the College:

Maulana Mukhtar Ahmad Nadvi Technical Campus (MMANTC) is a premier AICTE and DTE approved institution located at Malegaon district of Nashik, since 2012. It was established by Al Jamia Mohammediyah Education Society, Mumbai.

MMANTC offers degree courses affiliated with Savitribai Phule Pune University (SPPU). It also offers diploma courses affiliated with the Maharashtra State Board of Technical Education (MSBTE).

It has established Siemens Centre of Excellence which is one of its kind in the Maharashtra state. MMANTC campus consists of a large area of world-class infrastructure including state of art laboratories, seminar halls, auditorium, playground, garden and etc.

Subject: - Thanks and gratitude letter

Respected sir,

On behalf of Maulana Mukhtar Ahmad Nadvi Technical Campus, we thank you for sparing you valuable time for delivering online webinar on 'On Grid PV Solar Rooftop Power Plant Installation and Assessment' to our students and faculties.

We would also like to thank you for the creating a positive environment for understanding On Grid PV Solar Rooftop Power Plant Installation and Assessment.

Thank you once again for your kind cooperation with us.

Thanking you

Your faithfully,

Principal
 MMANTC, Malegaon
