Time	10.30 AM
Venue	Civil Engineering Seminar Hall
Number of Volunteers (Participants)	21

Women's empowerment program for Rural Areas under the UBA in association with Labour Net Service Pvt. Ltd. It was conducted on 21 March 2023 in the civil Seminar Hall of our college. In this Program, NSS girls' students, NSS PO, female staff, and women from different villages participated. As we all know, Women have a precarious position in Indian society. As a result, women have been falling victim to patriarchy. Women have been taken advantage of everywhere. Governments and non-government organizations have made several attempts to protect women's rights. Women-centric challenges address social, educational, economic, political, and other difficulties. As mentioned above, the platform solves these characteristics and issues in our education.

During the opening session, the chairperson, Datta Lodhe, focused on the importance of such efforts in the modern world. Mrs. Ahire Rutuja, the chief guest, spoke about her experiences. The Program was completed by a vote of gratitude delivered by Prof. Yakub Ansari, the department head for civil engineering. The entire Program was successfully organized by female staff only.

**Report on
Fire Safety Awareness Program
Organized by
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

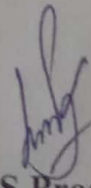

Day and Date	2 March 2023 (Thursday)
Time	11.00 AM
Venue	Sangmeshwar Malegaon
Number of Volunteers (Participants)	37

Under the guidance of noble Hon. Principal Dr. Shah Aqueel Ahmad and the Head of the Civil Engineering Department, the NSS unit of MMANTC organized a fire Safety Awareness Program in association with the Fire Safety Department, Malegaon on 2 March 2023 (Thursday) at Sangmeshwar Malegaon. A total of 37 NSS volunteers and the NSS Program Officer have participated.

As we all know, during the summer season in our country, the Fire cause severe damage to properties and loss of life. According to estimates, there are roughly 25,000 fatalities and around INR 2,700 worth of property loss per year as per the report quoted by the fire safety department. It is anticipated that all facets of society, business, and industry would assess their fire safety requirements to create appropriate plans for putting out fires, controlling them, and providing rescue and rehabilitation services. Hence, this Program was organized to develop an awareness of fire safety in all spheres of human activity. The safety officer explained various fire safety precautions, including expert talk and the demonstration of the safety drill, which was also shown to the public.

Road Safety Awareness Program
Organized by**

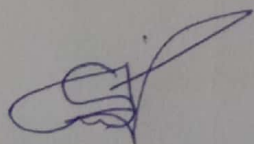

Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon

Day and Date	04 March 2023 (Saturday)
Time	10.30 AM
Venue	Manmad Chawfulli, Malegaon
Number of volunteers Participants	30

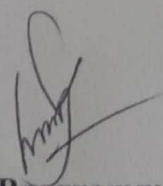

In collaboration with RTO, the NSS unit of MMANTC, Malegaon organized a Traffic awareness program on 04 March 2023 at Manmad Chowfulli, Malegaon. About 30 NSS volunteers and NSS PO took part in this activity for a day.

Mr. Bharat Bhawal Sir, Senior RTO officer of the Road Transport Authority, Malegaon, and his team conducted an awareness session. They started by explaining the provisions of the Motor Vehicle Act and the requirements for a rider. Also, the process of obtaining a driving license for non-commercial vehicles was explained. The volunteers have explained the meanings of various road signs and rules to be followed to the public. The most common cause of death is ignoring safety features like wearing a helmet or seat belts and not following or giving proper road signals. Volunteers explained that the youth should avoid speaking on cell phones while driving and drunk. Pedestrians are prone to accidents while walking on the wrong side or crossing without checking the traffic.

Thanks and closing ceremony was given by one of the students of MMANTC who took part as a volunteer.

The Clean India Campaign or Swachh Bharat Abhiyan is a government-led initiative in India to promote national cleanliness. This campaign aims to eradicate open defecation from India by encouraging good hygiene and cleaning habits.

The Maulana Mukhtar Ahmad Nadvi Technical Campus NSS unit organized a Swachh Bharat Abhiyan event at Golden Nagar Near Haroon Ansari Hospital Malegaon with these objectives. About 29 volunteers took part in this activity for a day. Participants, including volunteers, NSS students, and residents, actively participated in a cleanliness drive. They cleaned streets, roads, dumping areas, and other public spaces of Golden Nagar. NSS Program Officer Prof. Shahzad Mahvee Explained the importance of hygiene in our day-to-day life and motivated the volunteers to keep their surroundings as clean as possible. He also requested the students to create awareness among the people to keep cleanliness in their vicinity. The event was concluded with the promise of the people's commitment to building a cleaner and healthier India.

The goal of the incredibly successful Career and Education Assistance Camp was to give students and young people important career and education assistance. It took place on 9th February 2023, at the ATT High School Campus. The camp, which was hosted by MMANTC, drew a wide range of attendees, including recent graduates, college students, and high school students and their parents, giving them an opportunity to learn about other career and educational options.

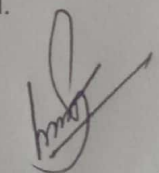

On the first day of camp, 9th February 2023 Hon'ble Mubrak Kapdi sir, who is the author of more than 17 books and delivered more than 5000 lectures on education and career guidance, addressed the SSC and HSC aspirants and their parents at ATT High School Campus. Sir had enlightened the following point during his speech:

- Complete life management
- Smart study technique and ways to get maximum marks
- Career options and planning after SSC and HSC
- How to crack competitive exams
- Challenges for parents in the changing social scenario

On the second day of program 10th February 2023 sir had guided our engineering college students and staff. He told that you should first set a goal in your life and do smart study. He also explained about the preparation for competitive exams like UPSC, MPSC, JRE GATE, etc. At last, sir had requested that all young engineers help their societies to promote education in all respects. The program was concluded with a vote of thanks delivered by Dr. Fahad Iqbal.

The exercise got underway at 9:30 a.m. with much energy in the presence of the Principal, Vice Principal, Head of the entire department, and other faculty members. The activity was carried out in association with SEVA Blood Center Malegaon, and donors were there continuously. All the blood donors were awarded a certificate, a donor card (for a free blood bag), and a gift from the blood bank. This Blood Donation drive under NSS witnessed 68 potential donors. The donors were also served snacks. The samples were carefully sealed and transported away, while the volunteers and SEVA blood center, Malegaon staff helped in the clean-up of the area. Throughout the morning, there were smiles and laughter all around - a true symbol of what we NSS believe in- selfless service with a smile.

Day and Date	12 December 2022 (Monday)
Time	10.30 AM
Venue	Sangmeshwar, Malegaon
Number of Volunteers (Participants)	32

On 12 December 2022, the NSS unit of MMANTC conducted a tree plantation drive at Sangmeshwar Malegaon. The main objective of the tree plantation program was to make people aware of the importance of trees. To restore the eco-balance of the afforestation, the drive was taken with all seriousness. The volunteers planted samplings and watered the plants. The representatives of the administration appreciated every step of the program. The program created a great stir among the general public, too. At the end of the program, there was a photo session with the NSS officer, teachers, and volunteers. After the tree planting ceremony was over, everyone was pleased and proud, since it feels fantastic to contribute to the environment.

Tree Plantation tackle many environmental issues like deforestation, soil erosion, desertification in semi-arid areas, global warming, and enhancing the environment's beauty and balance. Trees absorb harmful gases and emit oxygen, increasing oxygen supply. On average, a single tree emits 260 pounds of oxygen annually. Similarly, a fully-grown tree is sufficient for 18 human beings in one acre of land in one year, stressing the importance of tree plantation for mankind.

Day and Date	19 November 2023 (Saturday)
Time	09.00 AM to 4.00 PM
Venue	Chandan Puri Village, Malegaon
Number of Volunteers (Participants)	28

The NSS team of MMANTC conducted a program on basic problem identification of rural areas under the UBA on 19 November 2022 at Chandanpuri village, Malegaon. NSS students, the NSS Program Officer, and other students participated in this program.

As we all know, rural areas face many problems related to basic facilities like drinking water, sanitation facilities, a hygienic environment, pakka roads, etc. Our Institute Jamia Mohammadia Education Society's Mumbai's, Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon (ID: C-47550), is registered under Unnat Bharat Abhiyan (UBA) under the Ministry of Human Resources Development (MHRD), Under this our college NSS unit had conducted a basic problem identification survey of rural area. A village survey form was prepared with different questionnaires. Our NSS volunteers met with different people in the village and collected the details. At the same time, we had planted various trees at the village school. This program will definitely benefit the upliftment of people's financial issues in rural areas and provide a sustainable solution.

MMANTC NSS unit celebrated National Engineers Day on September 15, 2022, at our college. On this occasion, a mega programme named Responsibilities of Teachers towards Society Development was held at MMANTC in the civil seminar hall at 10 a.m. The event was started at 10.30 a.m. with a lot of energy in the presence of the principal, vice principal, head of the entire department, and other faculty members. The chief guest, Maulana Umrain Mahfooz Rahmani (General Secretary, AIMPLB), explained that teachers are responsible in many different ways for the development of societies. In addition to being educators, they function as moral authorities, guardians of culture, and representatives of their communities. Teachers may have a big effect on the creation of a successful and forward-thinking society by assuming these duties with honesty and devotion. At the same time, he said that society as a whole must acknowledge and support teachers in their critical role in forming the future of the youth of India. The principals of different schools also share their thoughts for the overall development of societies and the country.

Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	13 to 15 August 2022
Time	9 AM to 5 PM
Venue	At individual home
Number of volunteers Participants	28

Har Ghar Tiranga is a campaign to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. So under the aegis of Azadi Ka Amrit Mahotsav, a campaign called "Har Ghar Tiranga" has been launched to encourage the citizens to hoist the national flag of India in their homes. In response to the aforementioned context, our college's NSS unit of MMANTC, led by Principal Dr. ShahAqueel Ahmad, encouraged all faculty, staff, and students to raise the national flag at their residences and educated them on how to do so. On August 5, 2022, around 100 flags were distributed among students, faculty, and supporting staff and encouraged everyone to fly them above their houses from August 13 through August 15, 2022. The students also took the pledge to bring Tirange home, hoist it, and make the campaign a grand success. All the students and faculty were requested to send a photo of their respective tiranga hoists at home to NSS PO prof. Shahezad Mahevi till 5.00 pm, 15 August 2022.
