## NOTICE

The outbreak and spread of the novel Corona virus and the subsequent nationwide lockdown in India witnessed heavy pressure on sustaining families needs. In view of that, the NSS unit of MMANTC has decided to arrange **Food Kit Distribution** among the people of Chandanpuri village and Malegaon city. The date of program is April 22, 2020.

Only selected NSS students are permitted to volunteer for the successful conduct of the Program.

Note: - Follow all the COVID -19 recommended safety measures, including social distancing, wearing masks and maintain personal hygiene.

**Report on  
Food Kit Distribution  
Organized by**

**Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	Wednesday 22 April 2020
Time	9 AM
Venue	Chandanpuri Village and Malegaon city
Number of volunteers Participants	20

The outbreak and spread of the novel Corona virus and the subsequent nationwide lockdown in India witnessed many migrants stranded in cities without basic provisions for food. While some others returned to their villages, giving rise to food shortages and heavy pressure on sustaining families on marginal and fragmented landholdings, We took note of this tragic and distressing situation and got registered with the Malegaon Municipal Corporation and other rural government authorities through Tehsildar offices to get involved in relief work, chiefly through the distribution of food and dry rations. The infographic gives a clear picture of the relief outreach.

Recognising the need for immediate assistance, MMANTC stepped up to support the community by launching a food kit distribution initiative. With a clear objective in mind, we want to provide essential food items to families in need and ensure that no one goes hungry during these challenging times.

The drive was started at Chandanpuri village, Tal. Malegaon, at 9:00 a.m. on April 22, 2020. The staff and NSS students of the MMANTC participated in this relief program as volunteers. All NSS volunteers and staff members wear masks and gloves, and social distancing norms are strictly followed during the distribution process. Volunteers and staff members provided door-to-door delivery of food kits. The people expressed their gratitude to the college for this noble work, and with this appreciating gesture, the team leaves the village at around 2:00 p.m.

## NOTICE

In view of the escalating COVID-19 situation and to prioritize the health and safety of people, the NSS unit of MMANTC has decided to **distribute Sanitizer** among the people of Malegaon. Regular hand washing with sanitizer is one of the safety precautions suggested by the WHO. The date of program is May 4, 2020. Only selected staff and NSS students are permitted to participate as volunteers for the successful conduct of the Program.

Note: - Follow all the Covid -19 recommended safety measures, including social distancing, wearing masks and maintain personal hygiene.

**Report on  
Sanitizer Distribution Program  
Organized by**

**Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	Monday 04 May 2020
Time	9 AM
Venue	Malegaon city
Number of volunteers Participants	21

The use of hand sanitizer can help us fight against the coronavirus effectively. Health experts recommended using a hand sanitizer that contains 60–95% alcohol against the COVID-19 virus. The best ways of protection against COVID-19 infection are: wearing a mask, using sanitizer, and social distancing. Regular hand washing with sanitizer is one of the safety precautions suggested by the WHO.

In view of this, a one-day Program was conducted on sanitizer distribution on 04 May 2020, by the NSS unit of MMANTC College of Engineering. Both staff and NSS students were involved in spreading awareness about COVID-19 precautions and use sanitizer to fight against COVID19 and also distributed free sanitizer to the people during the pandemic. All NSS volunteers and staff members wear masks and gloves, and social distancing norms are strictly followed during the distribution process. Around 21 NSS students were present during this social activity.

Day and Date	Saturday 29 February 2020
Time	9 AM
Venue	At Manmad Chowfully Malegaon
Number of volunteers Participants	36

On February 29, 2020, the NSS unit of MMATC College planned to clean the roads and the vicinity of the Manmad Chowfully area, which is the most crowded and dirty place. This program was organised under Swachh Bharat Abhiyan. A total of 36 NSS students volunteers, along with 3 staff members participated in this event. The garbage was collected and disposed of in a safe place. NSS coordinator Prof. Khalid Iqbal explained the importance of hygiene in our day to day life and motivated the volunteers to keep their surroundings as clean as possible. He also requested that the students create awareness among the people to maintain cleanliness in their vicinity.

**Report on  
Tree Plantation  
Organized by  
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	16 January 2020 (Thursday)
Time	10.30 AM
Venue	Chandanpuri Village, Malegaon
Number of Volunteers (Participants)	28

On 16 January 2020, the NSS Unit of MMANTC College conducted a tree plantation program at Chandanpuri village. On this occasion, a total of 28 NSS volunteers and an NSS Program officer were present. Dr. Dilwar Husain, HOD of the Mechanical Department explained the importance of trees in our life and our planet's ecosystem. He also educated NSS students to motivate their neighbors, and societies to promote the plantation of trees in their areas. During this activity, participants planted trees at different locations of the new Chandanpuri. A total of 40 plants were planted during the activity. The event was completed with the vote of thanks of the NSS student coordinator.

Tree Plantation tackle many environmental issues like deforestation, soil erosion, desertification in semi-arid areas, global warming, and enhancing the environment's beauty and balance. Trees absorb harmful gases and emit oxygen, increasing oxygen supply. On average, a single tree emits 260 pounds of oxygen annually. Similarly, a fully-grown tree is sufficient for 18 human beings in one acre of land in one year, stressing the importance of tree plantation for mankind.

**Report on**  
**Plastic Mukht Rally**  
**Organized by**  
**Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

<b>Day and Date</b>	Saturday 14 December 2019
<b>Time</b>	11 AM
<b>Venue</b>	Along above defined path
<b>Number of volunteers Participants</b>	51

On 14-12-2019, the NSS students of MMANTC Malegaon organized an awareness rally to promote the ban of single-use plastic in our City. The objective of the rally was to raise awareness among the public about the hazardous effects of plastic and to encourage them to switch to eco-friendly alternatives.

**Activities:**

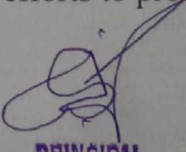

The rally was organized by the NSS student-led environmental club of the college. The students marched through the busy streets of Malegaon City holding placards and banners with messages about the ill effects of plastic pollution. They also distributed pamphlets and flyers to the passers-by, explaining the importance of banning single-use plastic.

The students also interacted with shopkeepers and vendors in the area, encouraging them to switch to biodegradable packaging and promoting the use of cloth bags instead of plastic bags. The rally culminated in a speech by the club president, who emphasized the urgency of the issue and called for collective action to tackle the plastic crisis.

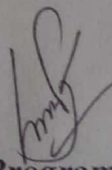

**Impact:**

The rally received an overwhelming response from the public, with many stopping to listen to the students' messages and expressing their support for the cause. The vendors and shopkeepers also showed enthusiasm in adopting sustainable practices.

The rally succeeded in raising awareness about the harmful effects of plastic and motivated many to switch to eco-friendly alternatives. The club received numerous messages of support and appreciation from the community, and they plan to continue their efforts to promote sustainable living.

**Report on**  
**Stationary kit Distribution among Orphanage Students**  
**Organized by**  
**Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	Friday 04 October 2019
Time	10 AM
Venue	Orphanage home, Mochi Corner Camp Malegaon
Number of volunteers Participants	30

On the occasion of Mahatma Gandhi Jayanti, our NSS unit is dedicated to helping orphan students by giving them access to vital educational materials. We planned a stationary kit distribution event on October 4, 2019 to help the pupils of the Orphanage Home, Mochi Corner Camp, as part of our ongoing efforts.

- The primary objectives of the stationary kit distribution event were as follows:
- To ensure that each orphanage student has access to necessary school supplies.
- To encourage and promote education among the children.
- To strengthen the bond between our organisation and orphanage home camp through community outreach.

On the day of the event, our NSS unit brought the stationary kits and set up a distribution booth at the orphanage home camp. In the presence of their teacher, a stationary kit was distributed among the students. Our NSS volunteers engaged with the pupils on a personal level and motivated them to continue learning. The distribution of stationery kits was a successful and heartwarming endeavour that made the orphanage pupils happy. We are proud to have played a little role in their educational path since we really think that education is a potent instrument for empowerment. We conclude our program with the promise of visiting again.

**Report on  
Traffic Management Activity  
Organized by  
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

<b>Day and Date</b>	Saturday 21 September 2019
<b>Time</b>	9 AM
<b>Venue</b>	Chandanpuri
<b>Number of volunteers Participants</b>	27

The NSS unit of MMANTC, in collaboration with RTO Malegaon, organised a traffic management activity on the occasion of Engineer's Day. The activity was conducted on September 21, 2019 at Chandanpuri. About 27 NSS volunteers, along with an NSS program officer, took part in this activity for a day. The main purpose of this activity was to help the traffic division with heavy traffic and crowd management during rush hours. Apart from helping with the traffic, the NSS volunteers got to see the importance of road safety and traffic rules and the discipline that comes with them.

All volunteers were provided with masks and whistles. Refreshments were also provided to all the volunteers. The refreshments and whistles were provided by the traffic division.

The session started with an important message about how to reduce and manage traffic by senior RTO officer A. K. Khan and was continued and managed by volunteers under the guidance of his team.

The closing ceremony was given by one of the NSS students at MMANTC who took part as a volunteer.

**Report on  
Blood Donation Camp  
Organized by  
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	Wednesday 18 September 2019
Time	9 AM to 5 PM
Venue	Civil Engineering Seminar Hall
Number of volunteers Participants	25

In India, National Engineers Day is celebrated on September 15th, on the birth anniversary of the famous engineer Sir Mokshagundam Visvesvaraya. On this occasion, the NSS unit of MMANTC organised a mega blood donation camp in association with SEVA Blood Centre Malegaon at our college in the civil seminar hall from 9.00 a.m. to 5.00 p.m. Blood donation is a noble cause to save lives, and blood donation is essential to helping patients survive surgeries, cancer treatment, chronic illnesses, traumatic injuries, etc. The event was started at 9:30 a.m. in the presence of the principal, vice principal, head of the entire department, and other faculty members. The SEVA blood centre in Malegaon was involved in the activities, and donors were there all the time. A certificate, a donor card (for a free blood bag), and a gift from the blood bank were given to every blood donor. There were 52 prospective blood donors at this NSS blood donation drive. The samples were safely packaged and sent away as the SEVA blood centre, Malegaon staff, and volunteers helped with cleaning.

Jal Shakti Abhiyan Program  
Organized by  
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

<b>Day and Date</b>	Saturday 14 September 2019
<b>Time</b>	9 AM
<b>Venue</b>	Different school at Sayane Budruk and soyegaon
<b>Number of volunteers Participants</b>	28

Under the Ministry of Human Resources Development (GOI), a 15-day campaigning program on "Swachhta Pakhawada-2019" and "Jal Shakti Abhiyan" was conducted throughout India within a span of 1st September to 15th September of 2019. Under this banner and with the guidance of Principal Dr. A.K. Kureshi and Vice-Principal Dr. Muhammad Ramzan of MMANTC, Mansoorah, Malegaon organised "Swachhta Pakhawada-2019" and "Jal Shakti Abhiyan" on September 14, 2019 in association with the Gurusvarya Dadasaheb Bowa Shikshan Sanstha Malegaon Camp at Saraswati Prathmik School at Sayana Budruk and two more schools at Soygaon. (Navbharat Madhhyamik Vidyalya and Vinay Mandir Prathmik Shada)

The session had been started with the felicitation of the Head Master of Schools and guests invited for the program by the hand of event coordinator, Prof. Abu Usama, and NSS program officer Prof. Shahzad Mahvi. Prof. Khalid Iqbal explained the aim and objectives of the program. The working model of rainwater harvesting was presented by our students, Mr. Maaz Arqam (SE Civil) and Mr. Ansari Abuzar (SE Civil), and it was also demonstrated how we can save rainwater at our homes. The importance and methods of water conservation were elaborated on with the help of a PowerPoint presentation by our student, Mr. Diwakar Ashutosh (BE Civil).

A short street play was also conducted by the team of NSS students, which helped promote awareness of water conservation among the local people of villages. At last, our sincere vote of thanks was offered to the school management and the Rotary Club of Malegaon for their valuable support in the conduct of the event.

**Report on**  
**Technology Development Awareness Program under Unnat Bharat Abhiyan**  
**Organized by**  
**Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

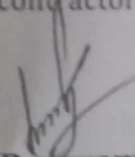

<b>Day and Date</b>	Saturday 31 August 2019
<b>Time</b>	11 AM
<b>Venue</b>	Civil Seminar Hall
<b>Number of volunteers Participants</b>	31

On August 31, 2019, the NSS unit of MMANTC hosted a full-day technology development awareness program under Unnat Bharat Abhiyan. The program was conducted in joint collaboration with UltraTech Cement Ltd. The chief guest and main speaker was Engineer Harshal Dashpute, Regional Manager, UltraTech Cement Ltd. for the Nashik Region. This program was also conducted under "Unnat Bharat Abhiyan," which was started by the Ministry of Human Resources of India to develop skills among the labourers of different industries. The main objective of the Unnat Bharat Abhiyan's Technology Development Awareness Programme is to empower rural communities by introducing them to new technologies in constructions and raising awareness of their potential to address a range of issues in sectors like infrastructure development. Around 70 numbers of RCC contractors and labor participated in the program. A total of 80 students participated in the workshop and gained knowledge of construction technology. Under the guidance of the honourable principal of the college, Dr.A.K. Kureshi, the engineer Harshal Dashpute, regional manager of UltraTech Cement Ltd., carried forward the program with a PowerPoint presentation on the topic "Advanced Construction Technology." Sir has a very good presentation with photos and related videos. He showed the different new advancements in technology and materials in a market to the entire contractor; labour came from across Malegaon city. After the presentation, all the participants' contractors and students were taken to the field for the practical exploration. The participants then shared their experiences with the program. At last, our sincere vote of thanks was offered to Ultratech Cement Ltd., contractor labour, etc. for the successful completion of the program.towards Ultratech cement Ltd., contractor labor etc. for the successful completion of the program.

Day and Date	Saturday 10 August 2019
Time	9.00 AM
Venue	At Chandanpuri
Number of volunteers Participants	31

Under the noble guidance of honourable principal Dr. A.K. Kureshi, the NSS unit conducted a tree plantation drive at Chandanpuri on August 10, 2019. Our 31 volunteers, along with faculty members, visited the Chandanpuri place. Everyone was excited for this activity. A total of around 50 trees were planted in that region. This activity set an example for the public to do at least one plantation in their neighbouring areas. It was a nice experience for all the participants. The students also took the oath: "I will plant a tree sapling and take care of the sapling such that it grows into a mature tree".

Tree plantations tackle many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, and global warming, thereby enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen, resulting in an increase in oxygen supply. On average, a single tree emits 260 pounds of oxygen annually. Similarly, a fully-grown tree is sufficient for 18 human beings on one acre of land in one year, stressing the importance of tree plantations for mankind.
