The NSS unit of MMANTC conducted oral health checkup and awareness camp at civil engineering department of MMANTC building in association with Indian Dental Association Malegaon Branch.

The camp was begun with the awareness program with the permission of ho'ble Principal Dr. Shah Aqueel Ahmed. Dr. Tanveer Ahmed President of Indian Dental Association Malegaon branch shared information on oral health and hygiene practices like proper brushing and flossing techniques, the importance of regular dental visits, and the effects of diet on oral health. The team members of IDAS demonstrated correct brushing and flossing techniques, helping students to understand how to maintain good oral hygiene. After the Awareness program a team of IDAS dentists conducted comprehensive dental checkups for all students and staff from various institute of our campus participated in this camp. These checkups included examinations for cavities, gum disease, and other dental issues. Free oral health kits including toothbrushes, toothpaste, dental floss, and informational papers on preserving dental health were given to all the participant. The camp was concluded with the thanks and gratitude to all participants, volunteers, healthcare providers, and supporters who made this camp a success. Together, we can work towards a healthier, happier community with improved oral health.

Waste Water Management Program
Organized by
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	Saturday 09 February 2019
Time	10 AM
Venue	Chandanpuri Village
Number of volunteers Participants	29

On February 9, 2019, the NSS unit of MMANTC conducted a waste water management program at Chandanpuri village. As the amount of waste water produced rises due to population expansion, industrialization, and urbanisation, waste water management has become an urgent worldwide issue. To safeguard human health, preserve natural water resources, and lessen the effects of pollution on the environment, effective waste water management is crucial. Chandanpuri village is located on the bank of the Girna River. Here, all the waste water generated from the village was directly released into the Girna River without any treatment, which caused pollution of the river. Hence, our NSS team visited this place to conduct a thorough analysis of the current waste water treatment plants and waste water discharge locations. They met with the people of the village to create awareness among the public about the value of appropriate waste water disposal and its effects on the environment and public health. We also collected the waste water that directly went into the river and had tested it in our college laboratory. At the last NSS program officer requested that all the people not directly release waste water into the river. This waste water management effort in Chandanpuri village has increased public awareness, shed light on the present status of waste water treatment facilities, and identified opportunities for improvement. To secure a sustainable future, it is crucial to keep working to enhance waste water management procedures.

Number of volunteers Participants	32

On the occasion of National Voters Day celebrated on January 25, 2019, the NSS unit of MMANTC is conducting an **Importance of Voters in Democracy Awareness Program**, on January 25, 2019 at various locations in Malegaon. A total of 32 NSS volunteers, along with an NSS program officer, actively participated. The aim of this program is to encourage youth to participate in the electoral process. It not only encourages the youth to participate in the electoral process but also focuses on the fact that the right to vote is a basic right. A government of, by, and for the people constitutes democracy in its purest form. It is fundamentally a system in which people use their right to vote to choose their representatives and make significant decisions that will affect the course of the country. Voters hold the authority to select leaders who represent their beliefs and objectives, making them the ultimate stewards of democracy. Our NSS volunteers met the people of Malegaon City, especially the youth, and inspired them to actively participate in the voting process, as each and every person is very important to the democracy of the country.

Day and Date	Saturday 29 September 2018
Time	11 AM
Venue	Civil Seminar Hall
Number of volunteers Participants	45

The MMANTC NSS unit conducted a full-day skill-building program under Unnat Bharat Abhiyan on September 29, 2018. Together with UltraTech Cement Ltd., the program was carried out. Engineer Harshal Dashpute, Regional Manager of UltraTech Cement Ltd. for the Nashik Region, served as both the chief guest and the primary speaker. This program was also conducted under "Unnat Bharat Abhiyan," which was started by the Ministry of Human Resources of India to develop skills among the labourers of different industries. The Unnat Bharat Abhiyan's Technology Development Awareness Program's primary goal is to empower rural communities by educating them about new construction technologies and increasing public awareness of how they may be used to address a variety of problems in fields like infrastructure development. About 64 RCC contractors and workers took part in the programme. 90 students in all took part in the session and learned about advanced building technologies. Under the guidance of the honourable principal of the college, Dr.A.K. Kureshi, the engineer Harshal Dashpute, regional manager of UltraTech Cement Ltd., carried forward the programme with a PowerPoint presentation on the topic "Skill Building Technology". With photographs and relevant movies, Sir has a really nice presentation. He demonstrated the many new technological developments, materials available on the market, and labourers who came from all across the city of Malegaon. All of the participants' contractors and students were taken to the field for the practical exploration following the presentation. Then, the participants discussed their experiences with the programme. Our profound gratitude was expressed at the conclusion of the program's success to Ultratech Cement Ltd., contractor labour, etc. Then, the participants discussed their experiences with the programme.

Report on
Each one Teach one Book Donation Program
Organized by
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon

Day and Date	Wednesday 05 September 2018
Time	10.00 AM
Venue	College main Entrnace
Number of volunteers Participants	31

On the occasion of teacher's day celebrating on 05th September every year, the NSS unit of MMANTC conducted a Each one Teach one Book Donation Program on September 5, 2018 along with the teachers day celebration under the guidance of honourable principal Dr. Shah Aqueel Ahmad and all heads of the department.

The "Each One Teach One" Book Donation Program's main goals are as follows:

- Increase book access by giving books to people and groups that don't have easy access to reading material.
- To encourage a culture of reading and literacy in impoverished communities, one must promote literacy.
- To motivate people to share their passion of reading and information with others.

In this program our NSS volunteers collected donations of new and gently used books from individuals' students, teachers', libraries, etc. After that, volunteers sort and categorise donated books, making them accessible for distribution. The collected books were distributed to our college needy students, local schools, community centres, shelters, and other organisations serving disadvantaged populations. The "Each One Teach One" Book Donation Program had made significant strides in promoting literacy and improving access to books for needy students and the community. This program has not only distributed books but also inspired a love for reading and learning. The program was concluded with vote of thank delivered by the NSS program officer.

**Report on
Nasha Mukht Rally
Organized by
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

Day and Date	Saturday 25 August 2018
Time	02.15 PM
Venue	Malegaon City
Number of volunteers Participants	70

The NSS unit of MMANTC in Malegaon organised a Nasha Mukht rally on August 25, 2018, in association with the Malegaon health organisation and Malegaon RTO office to raise awareness of the harmful effects of various types of drug use. As of today, many people are starting to consume various types of drugs (Nasha) in our city.

The demonstration's goals were to increase public awareness of the bad effects of addiction as well as to inform people about the many types of addiction (Nasha), their severity levels, and how they affect families, society, and the economy.

On its journey from the MMANTC campus to the ATT high school, the march travelled along Muhammad Ali Road, Kidwai Road, Old Agra Road, Police Ground Camp, and Mausam Pull. Also stressing the harmful effects of drug usage on health, volunteers handed out leaflets and booklets to onlookers.

A large number of people stopped at the demonstration with tremendous enthusiasm to hear the students speak and to show their support for the cause. The NSS program officer, Prof. Shahzad Mahvi, gave a thank-you speech to wrap up the gathering. The snacks were also served to the entire participant by the RTO department of Malegaon.

A total of 70 NSS volunteers and an NSS officer actively participated in the peaceful and successful completion of the rally.

Organized by
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon

Day and Date	Monday 20 August 2018
Time	11.00 AM
Venue	Auditorium Hall
Number of volunteers Participants	45

The NSS unit of MMANTC in Malegaon organised a Nasha Mukht Malegaon Campaign from August 20 to August 25, 2018, in association with the Malegaon health organisation and Malegaon RTO office to raise awareness of the harmful effects of various types of drug use. As of today, many people are starting to consume various types of drugs (Nasha) in our city. The campaign's goals were to increase public awareness of the bad effects of addiction as well as to inform people about the many types of addiction (Nasha), their severity levels, and how they affect families, society, and the economy.

On August 20, 2018, a Nasha Mukht Malegaon programme was conducted. In this programme, principals of various schools, NGOs, social workers, etc. participated to create awareness in the whole city of Malegaon. The principal of MMMANTC addressed the gathering and explained the aims and objectives of the campaign. A team of Malegaon Drama Association also played a drama in front of the audience to show the many types of addiction (Nasha), their severity levels, and how they affect families, society, and the economy. The NSS programme officer, Prof. Khalid Iqbal, gave a thank-you speech to wrap up the gathering. A total of 45 NSS volunteers and one NSS officer actively participated in the peace and successful completion of the campaign.

Tree Plantation
Organized by
Maulana Mukhtar Ahmad Nadvi Technical Campus, Malegaon**

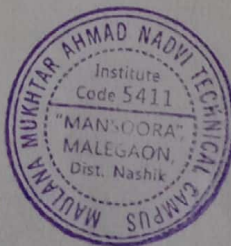

Day and Date	Tuesday 14 August 2018
Time	Time: Morning at 9.00 AM
Venue	At Ajang
Number of volunteers Participants	40

Under the noble guidance of hon. Principal Dr. A.K. Kureshi, the NSS unit conducted a tree plantation drive at the Ajang on 14 August 2018. Our 40 volunteers along with faculty members visited the Ajang which is 15 KM away from Malegaon city. Everyone was excited for this activity. A total around 50 Numbers of trees were planted in that region. This activity was set an example to the public to do a plantation at least one in their neighbor areas. It was a nice experience for all the participants. The students also took the Oath: "I will plant a tree sapling and take care of the sapling such that it grows into a mature tree".

Tree Plantation tackle many environmental issues like deforestation, erosion of soil, desertification in semi-arid areas, global warming and hence enhancing the beauty and balance of the environment. Trees absorb harmful gases and emit oxygen resulting in an increase in oxygen supply. On average, a single tree emits 260 pounds of oxygen annually. Similarly, a fully-grown tree is sufficient for 18 human beings in one acre of land in one year stressing the importance of tree plantation for mankind.

Following students actively participated in the tree plantation drive.

On the occasion of the International Yoga Day celebration on June 21, every year, the NSS unit of MMANTC conducted a demonstration of self-defence technique programme on 21 June 2018 after the yoga day celebration. The main goal of the Demonstration of Self-Defence Technique Program was to provide people with the information and abilities needed to defend themselves in potentially harmful situations. This program sought to give participants useful self-defence methods and tactics to increase their level of confidence and personal protection. Prof. Abdullah Khan, who had a black belt in karate, along with NSS student Huzaifa Maaz, demonstrated the basic self-defense techniques, tricks, and strategies to be adopted for self-defense. Sir had motivated all the participant that at least each and every one should learned the basic and simple self-defense technique so that we can protect themselves in case of any harmful situation. Our NSS students also create awareness among the gathering about the importance of self-defence techniques in our day to day lives. The Demonstration of Self-Defence Technique Program's objectives were effectively met by providing participants with useful self-defense abilities and information. This programme promoted a stronger sense of personal safety and confidence among the community while also empowering people to protect themselves.

June 12th, observed as World Day against Child Labour, is intended to serve as a catalyst for the growing worldwide movement against child labour. On this occasions, the unit of MMANTC is conducted a Prevalence of child labour program. A total of 27 NSS volunteers, along with an NSS programme officer, actively participated. Children are frequently involved in beneficial types of paid and unpaid employment across the world. However, kids are too young to perform jobs that might harm their social, intellectual, physical, or educational development. In the least developed nations, about one in four children (ages 5 to 17) are working in jobs that are deemed to be harmful to their health and development. Our NSS volunteers visited different market areas of Chandanpuri; work places to motivate the children were doing work for their education, physical and mental health, and overall development. the child were doing work, for their education, physical and mental health and overall development.
