## Memorandum of Understanding

By this non-binding memorandum of understanding ("MOU"), the **Maulana Mukhtar Ahmed Nadvi Technical Campus (MMANTC)** and **Best IT**, are furthering their long term relationship by intending to work co-operatively to improve the Industry – Institute Interaction and to encourage the students, professors for industry orientation & the industry professionals for academic orientation, which will create a win-win situation.

### About MMANTC:-

The Maulana Mukhtar Ahmad Nadvi Technical Campus (MMANTC) is located at the outskirts of Malegaon; the textile township of northern Maharashtra, on the other side of the campus is the Girna River full of its rocky spread and quiet moving water that provides the much needed ambience necessary for a center of higher learning and research.

**Maulana Mukhtar Ahmed Nadvi Technical Campus (MMANTC)** is a Well-established technical institute from academic year 2012-13 having total annual intake of 270 students. The institute is approved by All India Council for Technical Education (AICTE), New Delhi, and recognized by DTE Mumbai & Government of Maharashtra and affiliated to University of Pune (Institute Code-5411) & having facilities at par with regional engineering colleges.

MMANTC has understood the importance of broad based education and has created a conducive environment for the students to blossom into complete individuals. MMANTC believes in inculcating right attitude in the minds of young students and develop them as individuals who have the innate desire not just to succeed in their own lives but also to contribute meaningfully to societal development in all possible dimensions.

The institute has outstanding infrastructure and well equipped laboratories. MMANTC is an Institute with total commitment to quality and excellence in academic pursuits. We groom our students, not only in the field of discipline, but also broaden their mindsets and create positive attitude. Thus equipping them with all qualities to make them an asset to whichever institute/organization they may join. We assure you that MMANTC will play a significant role in providing technical manpower to the industry and in the pursuit of research.

## Memorandum of Understanding

By this non-binding memorandum of understanding ("MOU"), the **Maulana Mukhtar Ahmed Nadvi Technical Campus (MMANTC)** and **eNeuron**, are furthering their long term relationship by intending to work co-operatively to improve the Industry – Institute Interaction and to encourage the students, professors for industry orientation & the industry professionals for academic orientation, which will create a win-win situation.

### About MMANTC:-

The Maulana Mukhtar Ahmad Nadvi Technical Campus (MMANTC) is located at the outskirts of Malegaon; the textile township of northern Maharashtra, on the other side of the campus is the Girna River full of its rocky spread and quiet moving water that provides the much needed ambience necessary for a center of higher learning and research.

**Maulana Mukhtar Ahmed Nadvi Technical Campus (MMANTC)** is a Well-established technical institute from academic year 2012-13 having total annual intake of 270 students. The institute is approved by All India Council for Technical Education (AICTE), New Delhi, and recognized by DTE Mumbai & Government of Maharashtra and affiliated to University of Pune (Institute Code-5411) & having facilities at par with regional engineering colleges.

MMANTC has understood the importance of broad based education and has created a conducive environment for the students to blossom into complete individuals. MMANTC believes in inculcating right attitude in the minds of young students and develop them as individuals who have the innate desire not just to succeed in their own lives but also to contribute meaningfully to societal development in all possible dimensions.

The institute has outstanding infrastructure and well equipped laboratories. MMANTC is an Institute with total commitment to quality and excellence in academic pursuits. We groom our students, not only in the field of discipline, but also broaden their mindsets and create positive attitude. Thus equipping them with all qualities to make them an asset to whichever institute/organization they may join. We assure you that MMANTC will play a significant role in providing technical manpower to the industry and in the pursuit of research.

Respected Sir,

With reference to the above mentioned subject I have the honor to inform you that ours is a technical institute from academic year 2012-13 having total annual intake of 270 students. We have five courses in engineering streams as Civil, Computer Electrical, E&TC and Mechanical Engineering. The institute is approved by All India Council for Technical Education (AICTE), New Delhi, and State Government of Maharashtra and affiliated to Savitribai Phule Pune University, (SPPU). As per the curriculum of SPPU the students have to acquire practical exposure through industrial visit and training timely.

You are hereby requested to permit our students, along with staff, to visit your authorized 30 club metric-capacity Bituminous Plant. Convenient dates from our side are 19th Nov 22. We also request you to provide plant incharge (Engineer) to assist the students.

Class : BE Civil  
Number of student : 50  
Number of staff member : 02 Teaching + 01 Non-Teaching

Hope that you will provide your valuable cooperation to develop an efficient and effective industry-institute relationship.

## One Page Report

on

### **Industrial Visit: MIDC 30 metric tonnes Bituminous Plant**

Name: Hot Mix Plant (30 metric tonnes).  
Location: Near MIDC, Daregaon, Malegaon.  
Date of Visit: 19th November 2022.  
Purpose of Visit: To Study the Hot mix plant and its process.  
Guide Name: Nagraj Gaulat (Plant Incharge).  
Name of the subject Teacher: Prof Ismail Ansari.

The Department of Civil Engineering of MMANTC organized educational visit to Hot Mix Plant, MIDC, Daregaon on 19th Nov 22 for B.E Civil Engineering students to study different aspects of Hot Mix Plant. Visit was organized as per Pune University guidelines and recommendations regarding Transportation Engineering syllabus of B.E Civil Engineering. Visit was organized with the prior permission and guidance of Principal and Dean Academic. Subject Teacher and Dept. Visit Incharge took initiative and prepare documentation to conduct a visit. Students left the MMANTC Campus for visit on 19th Nov 22 at 9.30 am. Students carefully studied and observed the different Parts of Hot Mix plant & Batch Mix Plant.

The plant is spread over an area of 3.5 acres and has all the modern equipment's needed for production of bitumen .The production capacity of plant is 30 tonnes per hour .The raw material for bitumen production is imported from various PSUs like HPCL, BPCL, IOCL, situated in Mumbai. The aggregates are imported from nearby crusher. .For warm conditions emulsion is used which is stored in barrels of 200 liter capacity. The transport temp to be maintained is around 150 degree Celsius.

**CONCLUSION:** The site visit to hot mix plant gives us the clear idea about the process of this plant. We learn about the types of hot mix plant such as batch mix plant & drum mix plant. We also learn about binder and filler material used in hot mix plant

**Subject:** Permission Request for On-the-Job Training work for Civil Engineering Students.

Respected Sir,

On the behalf of MMANTC, wherein we are committed to delivering a comprehensive educational experience for our students. A vital part of this experience is providing them with opportunities to apply theoretical knowledge to practical situations in real-world settings.

We are reaching your organization to explore the possibility of an on-the-job training arrangement for a select group of our engineering students in your recent ongoing civil construction project. We believe this initiative would not only empower our students with hands-on construction industry experience but also allow your organization to harness the fresh perspectives and energy of budding engineers. The training will last for six weeks starting tentatively from 1<sup>st</sup> September 2021.

Sr no	Name Of Students

We are confident that our students will be an asset to your ongoing projects, bringing in their academic knowledge and eagerness to learn. They will, of course, comply with all organizational rules, safety protocols, and work ethics during their training period.

Thank you for considering our proposal, and we anticipate a fruitful partnership.

Thank You.

**Subject:** Gratitude for Successful On-Job Training Completion for Civil Engineering Students.

On behalf of Department of Civil Engineering, MMANTC I would like to extend our heartfelt gratitude for the exceptional on-job training provided to our students.

The construction industry is vast and intricate, and theoretical knowledge, while imperative, does not sufficiently equip our students with the practical insights needed to excel in the field. Your company's initiative in offering on-job training has bridged this gap. Our students have returned with not only enhanced skills but also a renewed passion for the industry.

We look forward to more such fruitful partnerships with your firm in the future.
