MEMORANDUM OF UNDERSTANDING BETWEEN

Maulana Mukhtar Ahmad Nadvi Technical Campus, Mansoor, Malegaon
And
A1 Technologies Malegaon, Nasik

This Memorandum of Understanding (MoU) is entered into as on 19th January 2019, by and between the Maulana Mukhtar Ahmad Nadvi Technical Campus Mansoor, Malegaon and A1 Technologies Malegaon, Nasik for the academic year 2018-2019 and 2019-2020 & 2020-2021.

The partners have entered into this MoU because they:

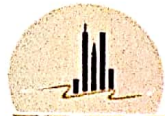

- ✓ RECOGNIZE the mutual interest in the fields training, development and dissemination of knowledge.
- ✓ RECOGNIZE the importance of In-plant training activity for degree students.
- ✓ RECOGNIZE the importance of the Industry Partner within its field of expertise.

This MoU will enable the parties to:

- Foster technical education at degree level to make the degree holder, industry ready.
- STRENGTHEN the theoretical knowledge in industrial practices. An exposure to industrial environment brings about attitudinal change in the students by inculcating managerial principles which cannot be effectively imparted through classroom or laboratory inputs.
- PROVIDE on field training after completion of 6th and 8th Semester of Degree Electrical students.
- This MoU is signed only in the interest of helping & Guiding the College students in Training & development activities.

The parties hereby agree to establish collaboration according to terms and conditions set out by the mutual understanding of both.

Maulana Mukhtar Ahmad Nadvi Technical campus ,Malegaon - 423203	A1 Technologies Malegaon, Nasik

Report on Industrial Visit

Event Title: Industrial visit to A1 Technologies, Malegaon, Nasik.

Event Date: 29th January 2019

Event Conduction Duration: 10.00 am to 12.00 pm

Event Venue: A1 Technologies, Malegaon, Nasik.

Event Resource Person Details: Mr. Abdul-Raheem Sir

Name of Event Co-ordinator: Asst. Prof. Momin Shahbaz Akhter

Name of Faculty Visited:

1. Asst. Prof. Shaikh Sameer 2. Asst. Prof. Faisal shah

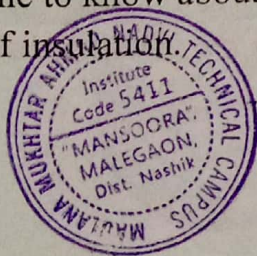

No of Student Participant: 41

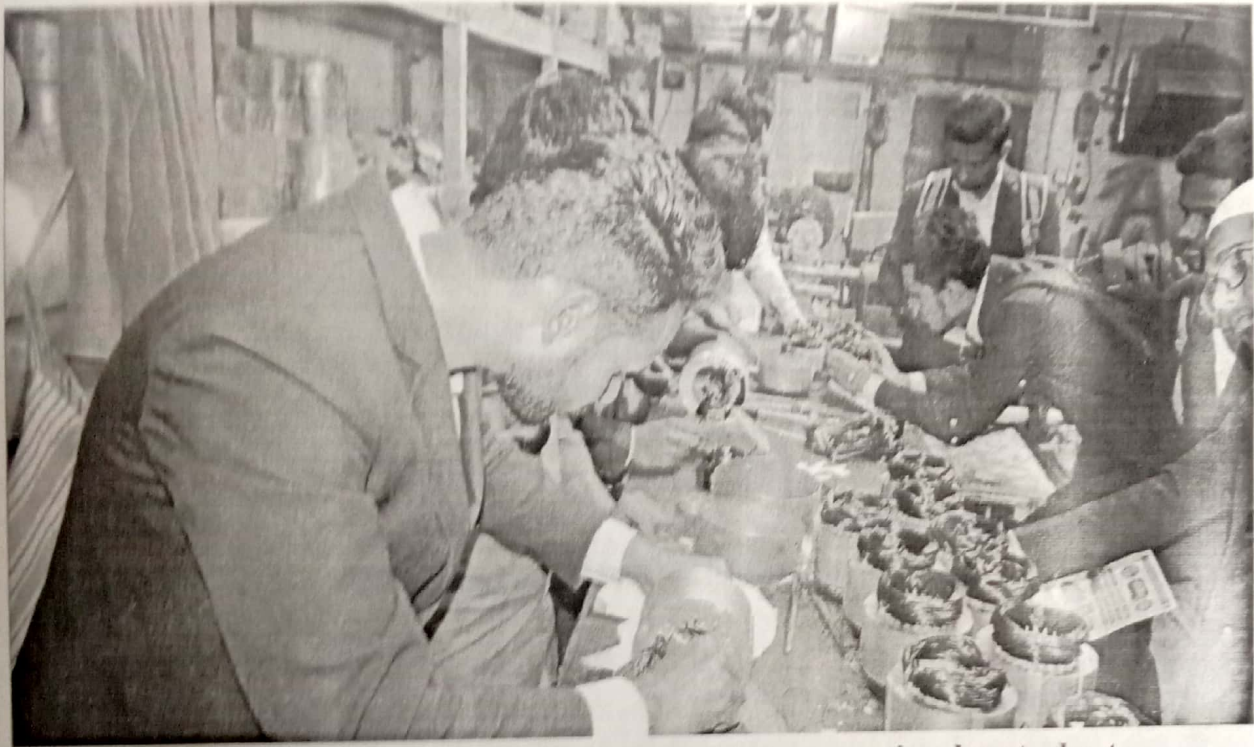

Event Objective:

- To understand the types of motors.
- To understand types of faults and reasons of faults in AC / DC Motors.
- To understand Maintenance procedure of AC / DC Motors
- To test & analyze the performance of AC / DC Motors. .

Event Outcome:

- Students got a chance to experience the industrial working culture.
- Students understood the working, operation, construction, repair and Maintenance of different Motors and Generators.
- Further they came to know about different type of testing, winding arrangement process, types of insulation

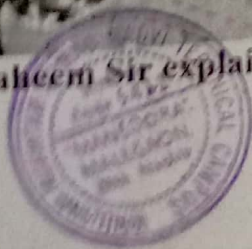

Hands on Experience of winding and its connection by students.

Mr. Abdul-Rahem Sir explaining the Construction of motor.

Subject: Permission for industrial visit.

Respected Sir,

With reference to the above mentioned subject, I have the honor to inform you that we, at MMANTC, have dedicated three batches of highly motivated and competent engineers to the nation and society. Ours is a reputed technical institute from academic year 2012-13 having total annual intake of 300 students. Initially we have four undergraduate engineering streams as Civil, Electrical, Electronics & Telecommunication and Mechanical Engineering. The institute is approved by All India Council for Technical Education (AICTE), New Delhi, and State Government of Maharashtra and affiliated to Pune University, Pune (Institute Code-5411). As per the curriculum of the University the students have to acquire practical exposure through industrial training program.

You are hereby requested to permit our students along with staff to visit your esteemed A1 Technology, Malegaon location and if possible to conduct one day workshop under the guidance of your technical experts on any related topic.

Please try to arrange visit on date 29/01/2019

Department	:	Electrical Engineering
Number of students	:	40
Number of Staff members	:	02

Hope that you will provide your valuable cooperation to develop an efficient and effective training session for our students.

Thanking you.

Agra road, Malegaon.

Subject : Thanks and gratitude letter.

Respected Sir,

On behalf of Maulana Mukhtar Ahmad Nadvi Technical Campus ,we thank you for sparing your valuable time for industrial visit on "AC Machines, Transformers and Generator " to our students.

We extend our sincere thanks for creating a positive environment in understanding AC Machines, Transformers and Generator and energy conversion process.

We expect a similar kind of cooperation from your side in future.

Thanking you.

Yours Sincerely,

Subject: Thanks Letter.

On behalf of Department of Civil Engineering, MMANTC I would like to extend our heartfelt gratitude for completion of on-job training for our students.

The construction industry is one of the important sectors, and while practical along with theoretical knowledge is mandatory. This gap has been closed by your company's initiative to provide on-the-job training. Along with improved skills, our following students now have a rekindled enthusiasm for the field. We look forward to more such activities in future.

Prof. Naveed Mirza
