Personality Development Program

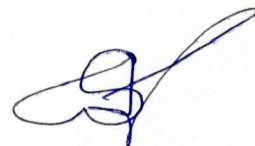

Date: 01/10/2022

Report of Personality Development Program is an immensely beneficial event which aims to restructure the learning curve of the participants. It provides a platform where teachers spanning from across India can interact and exchange their views. It sharpens our teaching skills and enables us to become better trainers, guide and mentors.

Acknowledging the spirit of Personality and Career Development, Computer Department of Maulana Mukhtar Ahmad Nadvi Technical Campus organized "Personality Development Program with Special Focus on Body Language, Communication, Confidence and Career" on **01-10-2022**

MMANTC college is a pioneer in innovation and truly understands the need of continuous upgradation of Student's skill sets. Our college under the leadership of Dr. MD. Azhar has achieved several milestones in this regard. This highly successful Student Development Program was the continuation in a series of knowledge enlightenment programs being conducted under his benevolent guidance. Our efforts would not have borne fruit without his active support, cooperation and enthusiastic participation.

MMANTC College has become an epicenter in refurbishment of teaching – learning process and its alignment with global best standards. Dr. Mohammad Mushaf has accepted a great challenge to provide state of the art of personality development such as build a confidence, impressive body language and career developments.

Report: Personality Development Program -Time Management and Goal Achievement

In a bid to equip students with essential life skills, Maulana Mukhtar Ahmad Nadvi Technical Campus successfully organized a Personality Development Program that centered on enhancing time management proficiency and the art of setting and achieving goals. The program, held on 07/01/2019 drew enthusiastic participation from students and professionals alike.

The program encompassed a series of interactive workshops, expert speaker sessions, and practical exercises aimed at elevating the participants' personal and professional lives.

Time Management Workshops: Dr. Izhar Ahmad guided participants through a comprehensive exploration of time management strategies, including effective prioritization, delegation, and techniques to conquer procrastination. Attendees left equipped with practical skills to maximize productivity.

Goal-Setting Excellence: Participants immersed themselves in hands-on goal-setting exercises that introduced them to the SMART (Specific, Measurable, Achievable, Relevant, Time-bound) framework. This practical approach enabled them to craft well-defined objectives and actionable plans.

Participants reported substantial benefits from the program. The overwhelmingly positive feedback received from participants underscores the program's success in imparting valuable life skills. The organizers, committed to fostering continual growth, plan to follow up with ongoing workshops and expert speaker series to sustain the momentum generated by this transformative Personality Development Program.

At the last Dr. Mohammed Ramzan Given Vote of Thanks to finish the program.

MECHANICAL ENGINEERING DEPARTMENT

Report on Personality Development Program

By: **Mr. Mubarak Kapdi**

The Personality Development Event, conducted by Mechanical Engineering Department, Maulana Mukhtar Ahmad Nadvi Technical Camous, successfully contributed to the holistic development of our students. It not only achieved its objectives but also exceeded expectations. We express our gratitude to Mr. Mubarak Kapdi for his valuable contribution to our college community.

The main objective of the program is to equip students with essential soft skills required for personal and professional development and facilitate self-awareness and enhance self-confidence and self-esteem.

The event commenced with an inaugural address by Dr. Muhammed Ramzan setting the tone for the day and emphasizing the relevance of personality development in today's competitive world. Prof. Faisal Ansari introduced Mr. Mubarak Kapdi in front of all. Then Mr. Mubarak Kapdi started the talk with students.

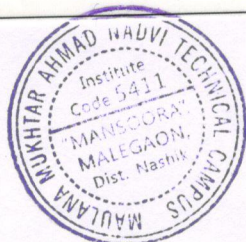

Various interactive sessions were conducted to enhance different facets of personality development, such as effective communication, body language, time management, and goal setting. Participants were organized into groups to facilitate team-building activities and group discussions, promoting collaborative skills and interpersonal development. Every participant had the opportunity to undergo a comprehensive personality assessment, receiving personalized feedback on strengths and areas for improvement.

Participants overwhelmingly provided positive feedback, underscoring the event's organizational excellence, speaker quality, and content relevance.
