REPORT: INTERNATIONAL YOGA DAY, 21 JUNE 2021

Event: International Yoga Day Celebration

Date: 21/06/2021

Time: 10:00 am

Venue: Seminar Hall Civil Engineering Department

Yoga Day is celebrated every year on June 21st to promote the practice of yoga and its benefits for physical and mental health. This year, our college organized a Yoga Day celebration on campus. The event was a great success, with students and faculty members participating in the yoga session and learning about the importance of yoga for a healthy lifestyle. In this report, I will describe the preparations for the event, the Yoga Day celebration itself, and its impact on the college community.

To prepare for the Yoga Day celebration, the organizing team arranged for necessary equipment such as yoga mats. They also invited yoga instructors Mr. Abdullah and volunteers to conduct the session and assist with the arrangements. Additionally, the event was promoted among the college community through posters, social media, and announcements during lectures. As a result of these efforts, a large number of students and faculty members showed interest in the event and registered for the yoga session.

All staff and students were gathered in Civil Department Seminar hall at sharp 10:00 am to celebrate International Yoga Day.
