**A Report on "Higher Education, Jobs, and Entrepreneurship"**

This report provides an extensive account of the expert lecture titled "Higher Education, Jobs, and Entrepreneurship" delivered by Mr. Rahmani Kamran Ambar. The lecture was organized by Training and Placement Cell, Maulana Mukhtar Ahmad Nadvi Technical Campus on 28/08/2019 with the aim of providing students with insights into the interplay of higher education, employment opportunities, and entrepreneurial endeavours.

The expert lecture on higher education, jobs, and entrepreneurship by Mr. Rahmani Kamran Ambar was a valuable learning experience that enriched students' understanding of the pivotal role of higher education in shaping their careers and entrepreneurial pursuits. We extend our sincere gratitude to Mr. Rahmani Kamran Ambar for sharing his expertise and experiences with our students.

Mr. Rahmani Kamran Ambar provided an overview of the role of higher education in personal and professional development, emphasizing its transformative potential. The lecture explored strategies for navigating the job market, including identifying career opportunities, building a strong resume, and excelling in interviews. Mr. Rahmani Kamran Ambar shared insights into the world of entrepreneurship, discussing the qualities and skills required to become a successful entrepreneur. Mr. Rahmani Kamran Ambar shared his personal journey, highlighting his educational and career milestones, and the challenges he overcame to achieve success.

## Expert Lecture Report.

Date of Expert Lecture :- 17 Sep 2019

Speaker- Engg. Mohammed Faiz.

Posting- Chief Workshop Manager Indian Railway Manmad.

Topic of expert lecture- Civil Services Preparation.

Civil services and engineering services examination are one of the toughest exams in our country. By qualifying this exam a candidate can work in different Indian administrative department. Hence for the preparation of such exam and for the motivation of the students, MMANTC had invited one of the youngest IES officer Engg. Mohammed Faiz who is working as a Chief Workshop Manager in Indian Railway Manmad as an expert.

The program was started with the recitation of holy Quran by Momin Abdullah Student of SE Mech. After that Principal A.K Kureshi has elaborated the Importance of such a competitive exams and there scenario in front of students.

Engg. Mohammed Faiz has delivered the lecture regarding important of Indian Engineering service and civil services exams along with their boons in progressive society of India. The mid of session was focused on the process of appointment which can be done after qualifications of this exam. A prime focus was given on techniques and methods to be adopt for the preparation of preliminary and mains examination along with the area of studies required to look for i.e. current affair, technical etc.

After this a focus was given on which books to be prefer for exam, time scheduling, subject selection and its detailed study, importance of group discussion and benefits of social media as an effective learning platform available as a modern tool.

The session was concluded with closing remark and vote of thanks to the invited guest by Principal Dr. A. K. Kureshi sir.

Comment and Suggestion:-

→ Program was really good, we got lots of knowledge about IES.

→ Improve sound system.

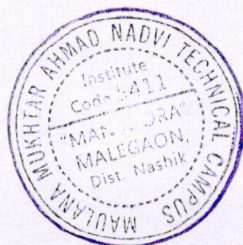

→ Air circulation was not proper

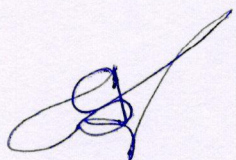

→ Everything was good but we want more.
