

# RESUME

Name : Parvez Shaikh Abdur Rasheed  
Email : parvez8149@gmail.com  
Mobile no: 8149988818 / 8668871318  
Address : 521 , Hudco Colony , Malegaon (Nashik)

## OBJECTIVE

Apply and contribute engineering Knowledge to fulfill company's objectives in their engineering development

## ACADEMIC PROFILE

| Examination | Discipline/<br>Specialization | School/<br>college | Board/<br>University       | Year of<br>Passing | SGPA/%  |
|-------------|-------------------------------|--------------------|----------------------------|--------------------|---------|
| B.E         | Mechanical                    | MMANTC             | SPPU                       | 2019               | 8.20/10 |
| T.E         | Mechanical                    | MMANTC             | SPPU                       | 2018               | 7.39/10 |
| S.E         | Mechanical                    | MMANTC             | SPPU                       | 2017               | 6.62/10 |
| F.E         | Mechanical                    | MMANTC             | SPPU                       | 2016               | 6.32/10 |
| Diploma     | NA                            | NA                 | NA                         | NA                 | NA      |
| H.S.C       | Science                       | ATT                | Maharashtra<br>State Board | 2015               | 53.69   |
| S.S.C       | NA                            | ATT                | Maharashtra<br>State Board | 2013               | 75.40   |

- **Gate qualify with gate score 34.60**

## TECHNICAL SKILLS

Possess mathematical, logical thinking & ability to handle situations  
Designing Software: AutoCAD, Pro-Engineering, Proficiency in MS Office  
Tools (Word, Excel, Power Point)

## STRENGTHS

- Quick learner

- Good presentation skill
- Vision for growth
- Ability to resolve problem
- Smart work
- Ability to lead a team
- Self-motivated
- Vision for growth
- Positive attitude with good decision making skill
- Strong team collaboration skill. Work closely with team member to achieve engineering goals.

## ACADEMIC PROJECT

|                      |  |
|----------------------|--|
| <b>Project Title</b> | <b>Static and Dynamic Analysis of Mono Leaf Spring</b> |
| <b>Team size</b>     | Five members   |
| <b>Duration</b>      | 4month   |

### Description:

The chief thought behind this work is to examine the static and dynamic behavior of two leaf springs one having Upturned eye of Maxi Truck and one having Berlin eye of Maxi T-Plus, the experimental analysis is done to investigate the effect of static and dynamic loading on different types eye used in leaf springs.

### Responsibilities:

Download research papers  
 To make cantilever model for leaf spring  
 Make power point for presentation  
 To make a research paper for national conference, etc.

## EXTRACURRICULAR ACTIVITIES

- Participated in sports like Volley ball and Cricket also some indoor games .
- Presented a paper on “Static and Dynamic Analysis of Mono Leaf Spring” at National conference organized by MMANTC .

- Got First prize in Model Making the theme was “Best from Waste” by MMANTC .
- Best student of the year in 2019.

## PERSONAL PROFILE

**Name** : Parvez Shaikh Abdur Rasheed  
**Father’s Name** : Abdur Rasheed  
**Sex** : Male  
**Date of Birth** : 08/07/1997  
**Nationality** : Indian  
**Languages Known** : English, Hindi, Urdu, and Marathi  
**Hobbies** : Travelling, Solving problems, swimming ,  
Watching Web Series etc.  
**Permanent Address** : 521, hudco Colony , Malegaon (Nashik)

## DECLARATION

I here by declare that the information furnished above is true to the best of my knowledge.
