Office Order

Electoral Literacy Club

In the academic year 2022-2023, the college initiated an active Electoral Literacy Club and the same is revised for the academic year 2026-27. An NSS coordinator was designated to promote electoral literacy. Faculty members and student representatives serve as Electoral Literacy coordinators, focusing on educating students about Electoral Literacy.

Aims of the Electoral Literacy Club (ELC):

- ❖ To empower students with comprehensive knowledge of the Indian electoral system, voter eligibility, and key responsibilities of citizens in a democracy.
- ❖ To inspire young voters to participate actively and responsibly in elections, ensuring their voices are heard.
- ❖ To raise awareness about the significance of transparent, inclusive, and impartial elections in maintaining democratic values.
- ❖ To cultivate critical thinking by encouraging students to analyze political parties, manifestos, and candidate backgrounds.
- ❖ To nurture a culture of informed voting and instill democratic ethics among future electors.
- ❖ To bridge campus and community by promoting electoral awareness beyond college through outreach initiatives and campaigns.

Noteworthy ELC Initiatives:

- ❖ **Simulated election exercises** to give students a realistic experience of voting procedures, including hands-on use of EVMs and VVPATs.
- ❖ **Interactive sessions and expert talks** on the role of youth in democracy, election laws, and the influence of elections on policy-making.
- ❖ **Field-based learning**, such as volunteering or observing during local or student elections, to develop practical understanding of poll processes.
- ❖ **Student-driven awareness activities**, including the design of wall newspapers, infographics, posters, and slogan-writing competitions, to creatively communicate electoral rights and responsibilities among peers.
