Date: 06/07/2026

OFFICE ORDER**Research Advisory Committee**

The research committee is formed to encourage and promote a research culture among staff and students of MMANTC by active participation in projects proposed by the Dean Research office from time to time. The committee also seeks to encourage students to come up with their own ideas and to work on interdisciplinary projects. The following students and staff members will assist the Dean Research Office in implementing the research work in accordance with the research policy
